

## Exago Markets is looking for a Product Manager to reinforce its line of products as world visionary and top rated quality

Exago is a Portuguese company that supplies solutions based on software and services, to support the innovation efforts in organizations. Its software products help to manage each stage of the innovation process implementing models to harness the collective intelligence for assertive decision-making.

We wish to attract energetic and pro-active individuals that share our beliefs about the wisdom of the crowds, understand the new models for crowdsourcing and that can inspire clients, partners and fellow employees.

Exago is a fast growing company with clients based in Portugal, Brazil and the US. Our clients are medium to large organisations across all industries.
